Pros and Cons Of Nuclear Power May 10 Topic

A discussion of the pros and cons of nuclear power will be held Thursday, May 10 at the Unitarian Parish House, Cohasset, at 8 p.m.

Everyone interested in this vital and timely subject is invited to attend the meeting which is being sponsored by the Cohasset Republican Town Committee.

Speaking for nuclear power will be R. Murray Campbell of Cohasset who is a well known speaker and writer on the subject. He is founder of Massachusetts Voice of Energy and a delegate to the New England Energy Congress.

Campbell is a consulting engineer employed by Stone and Webster Engineering corporation which firm has constructed several nuclear plants. He received a degree in mechanical engineering from Queens University, Kingston, Ontario and studied at the Royal Military College in Sandhurst.

Taking the opposite view will be John McNabb Jr. of Cohasset, a former active member of the Boston Clamshell Alliance, and an organizer and co-founder of the Plymouth Alliance. McNabb received his BA in psychology from Bowdoin in 1978. Currently he is on leave from his graduate studies in psychology at Boston College and is employed at the Harvard Law School.

Each speaker will be given 20 minutes to express his views, after which there will be a half hour question period. If sufficient interest is shown, the discussions will be expanded into a series covering other sources of energy. The public is invited and no

tickets are required. Light refreshments will be served following the meeting.

Mrs. John O'Donnell and Mrs. Louis Strong, acting cochairmen of the Republican Town Committee are in charge of the program.

State Rep. Murray To Be Feted May 20

Cohasset residents will honor State Representative Mary Jeanette Murray at an appreciation dinner to be held Sunday May 20, 1979 at the South Shore Country Club in Hingham.

Mrs. Murray has a long record of association with many civic, church and community groups in Cohasset and neighboring towns.

The Heart Fund, Cystic Fibrosis, March of Dimes, American Red Cross, Catholic Youth Organization, Cohasset

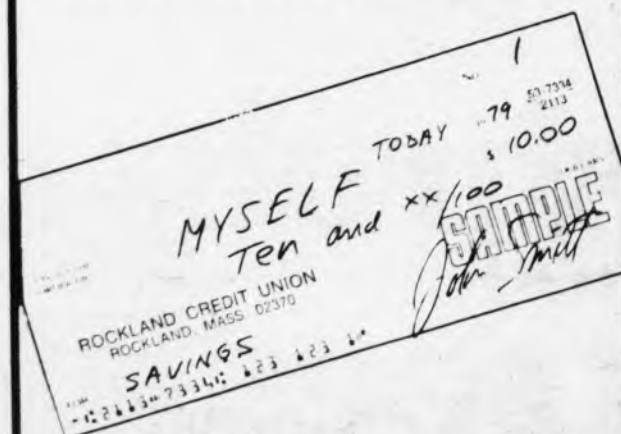

Youth Athletic Association Little League, Cub Scouts, Girl Scouts, American Legion and Cohasset Housing Authority are just a few of the organizations in which she has been active over the years.

Her many friends feel this is an appropriate time to pay tribute to "Mary Jeanette" for her years of public service. Tickets for the occasion may be obtained from A. J. Antoine, Ray Buckley, Charles Humphreys and Gerard Keating.
